ALTAR FLOWERS:

A gentle reminder that the weekly cost for altar flowers from The Bud Connection, effective July 1, 2026, has increased to $40, their first increase since 2015.

St. Dunstan's Church is grateful for the beautiful flowers and excellent service the Bud Connection has provided us for so many years. And I am grateful for the many beautiful flowers that have adorned our altar as gifts to God from our parishioners. Thank you all so very much.

Marian Wells
Chief Sacristan

Public Policy and Witness Weekly Prayers – August 7

For mercy beyond political exploitation

God of mercy, who hears the cry of the stranger and gathers the excluded in your embrace, we mourn the lives lost in Ceuta and all the cases where migrants perish. We deplore the fact that political calculations dominate the response to human suffering, and that tragedies are too often used to stoke tensions, sow fear and deepen divisions. Consoles those who grieve, heals those who have been injured or traumatized, and protects migrants, refugees, and all those who remain vulnerable to violence and exploitation. Grants wisdom, courage, compassion and assistance to governments so that they can both uphold the dignity of every human person and assume their responsibilities under the law. Turn the hearts of leaders away from exploiting suffering for the sake of power, and steer them toward policies of truth, mercy, and the common good. Make your Church a faithful neighbour to the displaced, bearing witness to your love with hospitality, justice and hope. Through Jesus Christ our Lord, who experienced exile in his childhood and welcomed the stranger, and who lives and reigns with you and the Holy Spirit, one God, now and forever and ever. Amen.

Cart in Those Cartons and Bags to Help Fight Food Insecurity

Loaves and Fishes is once again in the business of accepting clean dozen-sized egg cartons from the public. Donating helps reduce pantry costs. Please put your donation in the little red wagon in the sanctuary. Everybody Eats appreciates the full-sized grocery bag donations to help with takeout meals. We are still sharing over 100 meals a week via takeout and Friends in Action deliveries. Bags can be left in the Lottie Horn Room.

Volunteers are always welcome at Everybody Eats! Interested? See Tracy, Kim, or Fred.

Diocese Convention Delegates and Alternates

Would you like to serve as one of St. Dunstan's Lay Delegates to the upcoming Annual Convention of the Diocese of Maine – or be available as an Alternate? Those who have attended in the past will tell you that it's a great opportunity to meet fellow Episcopalians from around the state, learn about the many activities in our Diocese, and participate in decision-making.

The convention is being held on Saturday, November 7, from 8.a.m. to 5 p.m., on the University of Southern Maine Campus. There are two opportunities for on-line pre-convention informational meetings, the evening of October 27 and 29. For more information on the role and responsibilities of Lay Delegates, see **here**: episcopalmaine.org/resources/responsibilities-of-delegates-to-convention/ And let Tom or Dave know if you are interested in serving.

We have one confirmed delegate; we are eligible to send two, and would like to have two alternates, in case someone can't make it.

PLANNING AHEAD

Copies of the Funeral and Burial Information form are on the table in back of our church. We are all aware that we will leave this earth and planning for that day might be uncomfortable, your family and those responsible for your service and funeral will be thankful that you took the time as to how you wish to be remembered.
Once the form is completed a copy can be filed in the church office. It might also be helpful to have another copy at home or a place to be retrieved. (https://www.saintdunstansellsworth.org/wp-content/uploads/2026/03/Funeral-and-Burial-Information.pdf)

Another helpful resource we have available is The Five Wishes document, a comprehensive, easy-to-understand advance directive that allows you to legally outline your medical, personal, emotional, and spiritual preferences if you become seriously ill. Created by the nonprofit Aging with Dignity, it is valid as a living will and healthcare power of attorney in most states. Copies are available at the back of the Nave (extras in the office).

Please call or ask me if you have any questions.

Dave
